Dear Sir/Madam

INFORMATION REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000

You asked:

I would like to please request the Continance Formulary of the Wrightington, Wigan and Leigh NHS Foundation Trust.

We are unsure if you are requesting information regarding a formulary for continence containment products or a formulary for urinary catheter related items.

The Trust does not currently have an active formulary for urinary catheter items.

We had a formulary within the community setting for products, and it is attached. Within the acute wards/departments, choice of continence containment products varies from ward to department, depending on individual needs. These are supplied via NHS Supply Chain which carries a varied range

The community does not used NHS Supplies as we have a specialist contract with a manufacturer who also distributes them for us to individual patient's homes.

I trust that this information is helpful to you, however if you are not entirely satisfied with this response please do not hesitate to contact the Information Governance Department on 01257 488271. If we do not hear from you within 28 days we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
